Break Room Services Overview

SPG Vending Solutions customizes breakroom solutions to fit your team's needs, headcount, and budget.

Culinary Express Markets

Where Fresh Meets Convenience

Self-service, open-concept retail space offering a variety of fresh foods, snacks, and beverages tailored to your workplace. Equipped with secure, cashless checkout kiosks, that provide 24/7 access to healthier and more diverse options.

Traditional Vending

Vending machines with smart technology offer a modern, hassle-free refreshment experience with cashless payments, real-time inventory tracking, and touchless purchasing. Equipped with advanced telemetry and remote monitoring, these machines ensure optimal stocking, faster service, and seamless transactions

Culinary Express Pantry Service

SPG offers fully stocked pantry services, providing employees with free snacks and beverages while the company covers the cost. We handle shelving, product selection, stocking, and inventory management, ensuring a seamless and well-maintained breakroom experience.
